Love permeates now all my conscious and unconscious thoughts. I have peace in my mind, peace in my thoughts, peace in my speech and write, and I am living in peace.

I spontaneously adopt the right attitude in all relationships. The creative intelligence of my subconscious mind knows what is best for me, and I shall accept the advice I receive. Its tendency is always lifeward, and it reveals to me the right decisions in all my affairs, which bless me and all concerned.

*Infinite intelligence guides me for the best in my
professional and social activities, as well as in
all my relationships.*

*My intent is to live harmoniously, healthily,
royally, creatively, productively, and abundantly,
to build and maintain meaningful social contacts
and loving, caring relations, and to be useful to
the community.*

*All my activities, projects and work are governed
and directed by universal love and wisdom.*

Loving and creative thoughts now penetrate my whole being and every day more I am aligned with universal consciousness.

*I go forth in new creativity and prosperity, and
bless wealth and prosperity for others as well.*

Wherever I encounter the riches of life, I bless providence and wish the best for those who live the life more abundant. Universal guidance is mine. Abundance and joy are mine.

*I respect universal values in all my thoughts now,
and head toward inner and outer freedom.*

*I know that true freedom comes from aligning my
thoughts and actions with universal law.*

*I know that my prayer shall be answered, for my
mind is at peace.*
