Your Right to Be Rich

It is your birthright to be rich. You are here to express the fullness of life in every way. Your real purpose is to lead a happy, joyous, and glorious life—the life more abundant.

Your Right to Be Rich

Dr. Joseph Murphy Book Excerpts, Slide 2/12

Abundance is all around you, it is the main characteristic of nature. The treasure house of infinity is not to be found in a bank vault or a pirate's trove. It is within your own inner mind.

Your Right to Be Rich

Dr. Joseph Murphy Book Excerpts, Slide 3/12

Your thoughts are creative. Each thought tends to manifest itself in your life. Thoughts of promotion, riches, expansion, and achievement, provided you do not deny them subsequently, come forth after their kind. You promote yourself, thereby answering your own prayer because it is done unto you as you believe.

Your Right to Be Rich

Dr. Joseph Murphy Book Excerpts, Slide 4/12

Begin now to extract from that marvelous gold mine within you everything you need—money, friends, a lovely home, beauty, companionship, and all the blessings of life. Whatever you need, whatever you want, you can bring it forth when you learn to pray properly.

Your Right to Be Rich

Dr. Joseph Murphy Book Excerpts, Slide 5/12

We are more than our bodies, our hereditary characteristics, our family tree, the color of our skin, and eyes. The human subconscious mind is part of the eternal spirit, the creator force which is available to you when you pray sincerely, and from your heart.

Your Right to Be Rich

Dr. Joseph Murphy Book Excerpts, Slide 6/12

The greatest secret of all times is that all the riches of the universe are within you. It is infinite intelligence, boundless wisdom, infinite power and love, and the answer to all and every problem you may have. This secret is not hidden any further, for we are living in a time of revelation! Begin now to tap the tremendous powers within you and start to lead a full, happy and virtuous life.

Your Right to Be Rich

Dr. Joseph Murphy Book Excerpts, Slide 7/12

It is natural that you want to achieve success, recognition, and prosperity in your life. You ought to have all the money you need for doing what you want to do, when you want to do it. There is no virtue in poverty. Poverty is a mental disease that should, and actually could be abolished from the face of the earth. Just as wealth is a state of mind, likewise poverty is a state of mind. If we want to eradicate all the slums in the world, we must first wipe out the mental slums created in people's minds by their belief in poverty and lack.

Your Right to Be Rich

Dr. Joseph Murphy Book Excerpts, Slide 8/12

It is the right of you and your family to have healthy, nourishing food, good clothes, a comfortable home, and the money you need to buy the good things of life. You need the time every day for meditation, prayer, relaxation, recreation, and places that make these necessities possible. The true meaning of prosperity does not lie in having more things. It means that you begin to advance mentally, spiritually, and intellectually, as well as socially and financially.

Your Right to Be Rich

Dr. Joseph Murphy Book Excerpts, Slide 9/12

You are here to lead the abundant life, a life full of happiness, joy, health, and rich living. Begin now to release the riches of the treasure house within you. The real riches are within your subconscious mind.

Your Right to Be Rich

Dr. Joseph Murphy Book Excerpts, Slide 10/12

The greatest secret in all the world is that God dwells in humans. The average person looks everywhere but within himself or herself for wealth, success, happiness, and abundance. God is the life principle, the infinite intelligence, and the infinite power within us, available instantly to all people through the medium of their thought.

Your Right to Be Rich

Dr. Joseph Murphy Book Excerpts, Slide 11/12

You can tap the riches of your subconscious mind by claiming guidance, abundance, wealth, security, and right action, on a daily basis. Make a habit of meditating on these truths and your subconscious will respond.

Your Right to Be Rich

Dr. Joseph Murphy Book Excerpts, Slide 12/12

If you lull yourself to sleep every night with two ideas, wealth and success, knowing that by repeating them you are activating the latent powers of your deeper mind, you will be compelled to express wealth and success.
